* Estimate should be used with caution because of the small number of returns on which it is based.

[1] The total number of returns does not include the returns filed by individuals to only receive the economic stimulus payment and who had no other reason to file.

[2] For prior year returns, EIC earned income includes nontaxable earned income.

Note: Detail may not add to totals because of rounding.

* Estimate should be used with caution because of the small number of returns on which it is based.
[1] For prior year returns, EIC earned income includes nontaxable earned income.
[2] Less than $500.
NOTE: Detail may not add to totals because of rounding.

* Estimate should be used with caution because of the small number of returns on which it is based
(1) For prior year returns, EIC earned income includes nontaxable earned income.
NOTE: Detail may not add to totals because of rounding.

* Estimate should be used with caution because of the small number of sample returns on which it is based.
[1] For prior year returns, EIC earned income includes Nontaxable earned income.
[2] Less than $500.
NOTE: Detail may not add to totals because of rounding.

All figures are estimates based on samples

* Estimate should be used with caution because of the small number of returns on which it is based.

** Data combined to avoid disclosure of information for specific taxpayers.

NOTE: Detail may not add to totals because of rounding.
