*Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.
**Indicates that data were combined to prevent disclosure of individual taxpayer data.

[1] Tax status is determined by the presence or absence of a positive value reported on Page 1, Part 2, Line 15 of the return. Taxable returns are those having a reported positive value on this line; nontaxable returns are those havir

[2] The significant increase in the number of Forms 709 filed, as well as the total amount of gifts reported, during 2013 likely reflects changes of gifting behavior in response to the Tax Relief, Unemployment Insurance Reauthoriza

[3] This is the value of total gifts reported by the donor after gifts have been split between the donor and the consenting spouse.

[4] This is the sum of marital and charitable deductions reported. An unlimited marital deduction is available for all outright transfers to a donor's spouse. An unlimited charitable deduction is available for all outright transfers to qua

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current year.

[6] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property, as reported on Page 1, Part 2, Line 2 of the return.
[7] This is the value of available unified credit that is applied to the gift tax liability in the current period, as reported on Page 1, Part 2, Line 12 of Form 709. It is the lesser of available unified credit less the specific exemption amount

[8] This is the sum of reported value of gift tax on current period gifts and generation-skipping transfer taxes.
NOTES: Detail may not add to totals due to taxpayer reporting discrepancies and processing tolerances. "Number" shown in Columns 1, 3, 5, etc. refer to the number of returns.

*Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.

**Indicates that data were combined to prevent disclosure of individual

[1] Tax status is determined by the presence or absence of a positive value reported on Page 1, Part 2, Line 15 of the return. Taxable returns are those having a reported positive value on this line; nontaxable returns are those ha line.

[2] This is the value of total gifts reported by the donor after gifts have been split between the donor and the consenting spouse.

[3] This is the sum of marital and charitable deductions reported. An unlimited marital deduction is available for all outright transfers to a donor's spouse. An unlimited charitable deduction is available for all outright transfers to qu are available for gifts to trusts only under limited circumstances.

[4] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current year.

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property.

[6] This is the value of available unified credit that is applied to the gift tax liability in the current period, as reported on Part 2, Line 12 of Form 709. It is the lesser of available unified credit less the specific exemption amount (repo or tax on current period gifts.

[7] This is the sum of reported value of gift tax on current period gifts and generation-skipping transfer taxes.

NOTES: Detail may not add to totals due to taxpayer reporting discrepancies and processing tolerances. "Number" shown in Columns 1, 3, 5, etc. refer to the number of returns.

*Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.

**Indicates that data were combined to prevent disclosure of individual taxpayer data.

[1] This is the value of total gifts reported by the donor after gifts have been split between the donor and the consenting spouse.

[2] An unlimited marital deduction is available for all outright transfers to a donor's spouse. The deduction is available for gifts to trusts only under limited circumstances.

[3] An unlimited charitable deduction is available for all outright transfers to qualified charities. The deduction is available for gifts to trusts only if the trust meets certain requirements.

[4] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current year.

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property.

[6] This is the value of available unified credit that is applied to the gift tax liability in the current period, as reported on Part 2, Line 12 of Form 709. It is the lesser of available unified credit less the specific exemption amount (reported on Part 2, Line 10 of Form 709) or tax on current period gifts.

[7] This is the sum of reported value of gift tax on current period gifts and generation-skipping transfer taxes.

NOTES: Detail may not add to totals due to taxpayer reporting discrepancies and processing tolerances. "Number" shown in Columns 1, 3, 5, etc. refer to the number of returns.

*Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.

** Indicates that data were combined to prevent disclosure of individual taxpayer data.

[1] This is the value of total gifts reported by the donor after gifts have been split between the donor and the consenting spouse.

[2] An unlimited marital deduction is available for all outright transfers to a donor's spouse. The deduction is available for gifts to trust only on limited circumstances.

[3] An unlimited charitable deduction is available for all outright transfers to qualified charities. The deduction is available for gifts to trust only if the trust meets certain requirements.

[4] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current tax year.

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property.

[6] This is the value of available unified credit that is applied to the gift tax liability in the current period, as reported on Part 2, Line 12 of Form 709. It is the lesser of available unified credit less the specific exemption amount (reported on Part 2, Line 10 of Form 709) or tax on current period gifts.

[7] This is the sum of reported value of gift tax on current period gifts and generation-skipping transfer taxes.

NOTES: Detail may not add to totals due to taxpayer reporting discrepancies and processing tolerances. "Number" shown in Columns 1, 3, 5, etc. refer to the number of returns.

*Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.

** Indicates that data were combined to prevent disclosure of individual taxpayer data.

[1] This is the value of total gifts reported by the donor after gifts have been split between the donor and the consenting spouse.

[2] An unlimited marital deduction is available for all outright transfers to a donor's spouse. The deduction is available for gifts to trust only on limited circumstances.

[3] An unlimited charitable deduction is available for all outright transfers to qualified charities. The deduction is available for gifts to trust only if the trust meets certain requirements.

[4] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current tax year.

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property.

[6] This is the value of available unified credit that is applied to the gift tax liability in the current period.

[7] This is the reported value of gift tax on current period gifts.

NOTE: Detail may not add to totals due to rounding.

*Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.

** Indicates that data were combined to prevent disclosure of individual taxpayer data.

[1] This is the value of total gifts reported by the donor after gifts have been split between the donor and the consenting spouse.

[2] An unlimited marital deduction is available for all outright transfers to a donor's spouse. The deduction is available for gifts to trust only on limited circumstances.

[3] An unlimited charitable deduction is available for all outright transfers to qualified charities. The deduction is available for gifts to trust only if the trust meets certain requirements.

[4] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current tax year.

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property.

[6] This is the value of available unified credit that is applied to the gift tax liability in the current period.

[7] This is the reported value of gift tax on current period gifts.

NOTE: Detail may not add to totals due to rounding.

*Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.

** Indicates that data were combined to prevent disclosure of individual taxpayer data.

[1] This is the value of total gifts reported by the donor after gifts have been split below ren the donor and the consenting spouse.

[2] An unlimited marital deduction is available for all outright transfers to a donor's spouse. The deduction is available for gifts to trust only on limited circumstances.

[3] An unlimited charitable deduction is available for all outright transfers to qualified charities. The deduction is available for gifts to trust only if the trust meets certain requirements.

[4] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current tax year.

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property.

[6] This is the value of available unified credit that is applied to the gift tax liability in the current period.

[7] This is the reported value of gift tax on current period gifts.

NOTE: Detail may not add to totals due to rounding.

*Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.

** Indicates that data were combined to prevent disclosure of individual taxpayer data.

[1] This is the value of total gifts reported by the donor after gifts have been split between the donor and the consenting spouse.

[2] An unlimited marital deduction is available for all outright transfers to a donor's spouse. The deduction is available for gifts to trust only on limited circumstances.

[3] An unlimited charitable deduction is available for all outright transfers to qualified charities. The deduction is available for gifts to trust only if the trust meets certain requirements.

[4] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current tax year.

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property.

[6] This is the value of available unified credit that is applied to the gift tax liability in the current period.

[7] This is the reported value of gift tax on current period gifts.

NOTE: Detail may not add to totals due to rounding.

NOTE: Detail may not add to totals due to rounding.

* Indicates that estimates should be used with caution because of the small number of sample returns on which they were based.

** Indicates that data were combine to prevent disclosure of individual taxpayer data.

[1] This is the value of total gifts reported by the donor after gifts have been split between the donor and the consenting spouse.

[2] An unlimited marital deduction is available for all outright transfers to a donor's spouse. The deduction is available for gifts to trust only on limited circumstances.

[3] An unlimited charitable deduction is available for all outright transfers to qualified charities. The deduction is available for gifts to trust only if the trust meets certain requirements.

[4] This is the amount of taxable gifts (total gifts less exclusions and deductions) for the current tax year.

[5] This is the amount of taxable gifts (total gifts less exclusions and deductions) for all prior tax years in which the donor transferred property.

[6] This is the value of available unified credit that is applied to the gift tax liability in the current period.

[7] This is the reported value of gift tax on current period gifts.

(1) Comparable sales are calculated on a 52 week basis, commencing with our fiscal year beginning February 1, 2015. Comparable sales for fiscal year 2016 consist of sales for the 52 weeks ended January 28, 2017 and sales for the 52 weeks ended January 30, 2016. Comparable sales for fiscal year 2015 consist of sales for the 52 weeks ended January 30, 2016 and sales for the 52 weeks ended February 1, 2015.

(2) Net sales excluding impact of foreign currency translation is a non-GAAP financial measure. Management believes that this measure reflects our ongoing business in a manner that allows for meaningful period-to-period comparison and analysis of trends in our business, because it excludes the effect of foreign currency translation which is outside the control of the company. Management uses this measure in its internal forecasts and analysis of its business and believes that it is useful to investors and others in evaluating our operating performance for the same reasons.

(3) The 53rd week in fiscal year 2016 is the week ended January 28, 2017.

(4) The 53rd week in fiscal year 2015 is the week ended February 1, 2015.

(5) Fiscal year 2015 on a 52 week basis excludes the 53rd week in fiscal year 2015.

(6) Fiscal year 2015 on a constant currency basis excludes the 53rd week in fiscal year 2015 and adjusts for the impact of foreign currency translation.

(7) Percentage change excluding impact of foreign currency translation compares fiscal year 2016 to fiscal year 2015 on a 52 week basis and adjusts for the impact of foreign currency translation.

(8) Fiscal year 2015 on a 52 week basis for Gap International excludes the 53rd week in fiscal year 2015 and includes the results of our former franchise operations in Hong Kong and Taiwan for the 52 weeks ended January 30, 2016.
