[2] Includes total full-time, part-time, and seasonal personnel employed by IRS Chief Counsel as of September 25, 2021 (the end of Pay Period 19). Chief Counsel is an organization within the Department of Treasury and separate from the IRS. All Chief Counsel employees are funded by and report to the Chief Counsel as part of the Legal Division of the Department of Treasury. Beginning FY 2015, Chief Counsel workforce counts are displayed in a separate column.

[3] Reflects the Federal civilian labor force as of September 25, 2021, as provided by the U.S. Office of Personnel Management (OPM).

[4] Data from U.S. Department of Commerce, Bureau of the Census (2014–2018 American Community Survey statistics).

[5] Hispanic or Latino persons of any race are included in the Hispanic category.

[6] This category is shown separately for information purposes. The term "targeted disability" was originally enacted by the Equal Employment Opportunity Commission (EEOC) in 1979 and refers to certain disabilities that have been identified for emphasis in Federal affirmative employment planning. During FY 2017, the Office of Personnel Management expanded the list of medical conditions to self-identify a disability. As a result this increased the counts of persons with disabilities and persons with targeted disabilities. Persons with a targeted disability are included in the disability total.

[7] This category is shown separately for information purposes. The primary elements used to identify veterans for Federal employment purposes are Veteran Status, Veterans' Preference, Creditable Military Service, Annuitant Code, and Legal Authority Code. Veterans with a disability are included in the veteran total.

[5] Data for IRS and other Federal workers of two or more races may be incomplete, as data for this category have been routinely collected only for employees hired after January 1, 2006. The data also reflect information for employees in this category who were hired prior to January 1, 2006, who subsequently updated their official information. The number and percentages of employees in the “Two or more races” category decreased from Fiscal Year 2012. Due to a methodology change, some employees formerly reported in the “Two or more races” category are now reported in other categories.

[6] The term “targeted disability” was originally enacted by the Equal Employment Opportunity Commission (EEOC) in 1979 and refers to certain disabilities that have been identified for emphasis in Federal affirmative employment planning.
