** Data combined to avoid disclosure of information for specific taxpayers.

[1] Not included in adjusted gross income.

[2] Other income includes all items reported on line 21 of Form 1040 such as prizes, awards, recoveries of bad debts, insurance received as reimbursement for medical expenses taken as a deduction in the previous year, and any other income subject to tax for which no specific line was provided on the form. Any foreign-earned income exclusion or net operating loss in an earlier year (that was not carried forward and deducted for 2002) was entered as a negative amount on line 21 by the taxpayer but was edited into separate fields during Statistics of Income (SOI) processing. Gambling earnings entered on line 21 by the taxpayer were also edited into a separate field during SOI processing.

[3] No exemption allowed at these income levels.

[4] Less than \$500.
