N/A—Not applicable.

[1] Costs are comprised of items charged to discretionary appropriations, mandatory appropriations, and user fees. This includes costs charged to the Inflation Reduction Act (IRA), which was enacted August 12, 2022. Costs exclude costs reimbursed by other federal agencies and private entities for services performed for these external parties.

[2] Includes salaries, terminal leave payments, availability pay, pay differential, overtime and holiday pay, cash awards, incentive awards, obligation for uncashed payroll checks, expert and witness fees, rewards to informants, employer's share of personnel benefits costs, reimbursements for professional liability insurance, recruitment bonuses, commuting subsidies, retention bonuses, student loan repayments, relocation bonuses, gainsharing awards, cost of living allowances, overseas allowance grants, domestic and foreign income tax reimbursement allowances, worker's compensation benefits, moving expenses/relocation allowances, severance pay, and unemployment compensation payments.

[3] Includes contracts, travel, transportation of things, rent, communications, utilities, printing and reproduction, advisory and assistance services, supplies and materials, operation and maintenance of facilities, research and development services, medical care, operation and maintenance of equipment, subsistence and support of persons, acquisition of assets, equipment, land and structures, investments, grants, and refunds.

[4] The Taxpayer Services appropriation funds prefiling assistance and education, filing and account services, and taxpayer advocacy services.

[5] The Enforcement appropriation funds activities to determine and collect owed taxes, to provide legal and litigation support, to conduct criminal investigations, to enforce criminal statutes related to violations of Internal Revenue laws and other financial crimes, and to purchase and hire motor vehicles.

[6] In the Fiscal Year (FY) 2022 *Data Book*, Table 30 erroneously omitted \$300,000 in regulatory costs charged to the appropriations received through the No Surprises Act. This table has been updated to include these costs.

[7] The Operations Support appropriation funds activities to support taxpayer services and enforcement programs including rent payments; facilities services; printing; postage; physical security; headquarters and other IRS-wide administration activities; research and statistics of income; telecommunications; information technology development, enhancement, operations, maintenance, and security; and the hire of motor vehicles (nonpolice-type use).

[8] The Business Systems Modernization appropriation funds the capital asset acquisition of information technology systems including management and related contractual costs of such acquisition and including contractual costs associated with operations.

[9] The IRA included a new appropriation for Direct File, which was provided to the IRS for necessary expenses to deliver a report to Congress on the cost, taxpayer opinions of, and feasibility of developing and running a free direct e-file tax return system. The appropriation expired September 30, 2023.
