(1) Calendar years. Current law.

(2) Aggregates are for tax units who are married filing jointly with AGI greater than or equal to \$250,000; single or head of household with AGI greater than or equal to \$200,000; and married individuals filing a separate return with AGI greater than \$125,000. All thresholds are indexed for inflation after 2009.

(3) Aggregates are for tax units who are married filing jointly with taxable income greater than or equal to \$250,000; single or head of household with taxable income greater than \$200,000; and married individuals filing a separate return with taxable income greater than \$125,000. All thresholds are indexed for inflation after 2009.
